- Tube rental available with any boat rental

Customer Experience

"We rented a boat from Hamlin Lake Boat Rentals last year. We knew it would be a lot of fun, but we weren't expecting it to be the highlight of our vacation. We pulled the kids behind the pontoon on a tube, soaked up some sun and ran up and down the dunes. Seeing the joy on our kid's faces will be a memory that we will cherish. Thanks for the experience. We will definitely be back."

Tom & Jean Anderson family
